ABOUT DYP SOA

- Dr. D. Y. Patil School of Architecture was established in August 2011. Within a short span of 12 years, the School has established itself as one of the top five institutes in the Pune region due to the learning environment it offers, its sincerity toward the ethos of education, a healthy faculty-to-student ratio, excellent infrastructure, and top-class faculty.

- DYP SOA's multidisciplinary approach and bespoke learning environment foster research and creativity, honing professionals who are environmentally conscious, technically sound, and versatile individuals ready to take their place in the world.
- The faculty has been the pillar of strength in this endeavor, demonstrating hard work and dedication toward students, along with loyalty to the institute. The excellent infrastructure, as per the COA norms, further complements the learning environment.
